

SHAKE WELL

Introducing EcoGuard Plus Body Spray: Powerful protection against ticks and mosquitoes. Designed with the same effective insect-repelling strength as our lawn and landscape spray, this formula is crafted specifically for clothing and skin. Safe, effective, and tailored for personal application, when used as directed.

**How to Use:** Shake well; Hold bottle upright 6-8 inches from skin and apply liberally and evenly to all exposed skin surfaces; Spray on hands and wipe on face to avoid eye and mouth exposure; Reapply as needed. For external use only. For individuals with skin sensitivities, test a small amount on a small section of exposed skin before full body application. Not for use in aquatic environments.

**Storage and Disposal:** Store in a cool, dry place. When empty, please recycle.

**Precautionary Statement:** Causes eye irritation and may cause skin or allergic reactions in some individuals. Avoid contact with eyes and test on a small area of skin if skin sensitivities are prevalent. **First Aid:** If in eyes: Hold eye open and wash with a gentle flow of water for 15-20 mins. If irritation persists, call your doctor for treatment advice. If irritation on skin: Wash with gentle flow of water for 15-20 minutes. If irritation persists, call your doctor for treatment advice.
